THE VULCAN ADVOCATE, WEDNESDAY, OCTOBER 23, 1963

Vulcan, Alberta

Objective Is \$50,000

Rec. Centre Campaign Starts Nov. 1st

The canvass for artificial ice as a first step in a full scale project of a recreation centre for Vulcan, begins Friday, Nov. 1.

This was decided last weekend by the directors of the Vulcan and District Recreation Centre. Almost two years of research and preparation have gone into this community venture and in recent weeks final loose ends have been tied in and all that remains is to put the machinery of the campaign in motion.

At least \$50,000 is the objective set for this phase of the long-term operation and with only about \$2,000 presently on hand and no outside or governmental aid available, families of the town and surrounding districts will have to dig deep to put this over the top.

In view of the substantial

amount needed per family, a plan to enable donors to spread payment over a two or three year period, if necessary, has been evolved. Pledge forms will be given out by the canvasser describing this phase of time payment, if the full amount of the pledge cannot be given at once.

Directorate of the Recreation Centre is as follows: President, Pat Walker; vice-president, John Wolfe; secretary, Virginia Mitchell; treasurer, Gordon Brown; committee chairmen, Ross White, Boyd McKay, Frank Wythe and Angelo Murphy. Members of the Centre will be made up from representatives of local clubs and organizations.

Renovation of the present arena to artificial ice and the eventual establishment of full recreation

and banquet hall facilities on the block site is the aim of the Steering Committee and of the Steering Committee which laid the early groundwork of the plan.

This arena conversion is deemed the only method within the financial means of the town and district of obtaining the objective and with assurance that the building is structurally sound — a value of \$50,000 was placed on it by a provincial inspector upon recent examination — the sponsors of this project feel that under the circumstances, no other alternative can be considered.

Spotlighting the progress of the campaign will be a tall thermometer to be placed on the Vulcan Pharmacy building and the level of donations will be recorded as they are received. A similar in-

dicator will appear weekly in the Advocate.

An important feature of the campaign is that all donations are income tax deductible.

Annual lease of the arena property from the Town of Vulcan has been arranged with the council, who are co-operating in the setting up of an operating agreement for its early and permanent stage of organization.

The Canadian Wheat Board has been contacted regarding acceptance of grain from donors but it appears that circumstances make this method unlikely.

If sufficient funds are raised, it is the intention of the Recreation group to proceed at once with the project and take advantage of the Winter Works program as well as help by voluntary labor and equipment.

Shown above are members of the Cloverleaf Rebekah Lodge whose affiliation with the lodge predates prior to 1935, and distinguished guests who participated in the recent 50th Anniversary celebration. Back row, left to right: Elizabeth MacMillan, A. W. Sheffield, Mollie Craig, James Stier, Grand Representative, Alberta;

Gladys M. Fulton, Everett McPherson, Past Grand Master; 2nd row: Sr. Hazel Sheffield, Past President; Sr. Laverne Myers, Uretta McIver, Marjorie Panter, Noble Grand; Anna Brooks, charter member; Opal Drummond, Margaret Ewing, Lillian Peterson, District Deputy President. Front row: Jessie Marcellus, Myrtle Roe, Ila

Koenen, President Rebekah Assembly; Kermit Moe, Grand Master, Grand Lodge of Alberta, IOOF.

On the table is a cup won in competition by the Lodge three consecutive years and which is now in their possession permanently.

BAND NEWS

(By Lloyd Jones)

We continually receive enquiries about the progress of the band work, and we are glad for this interest shown by the people of the county. We know you are interested in who is playing, so beginning this week we are going to introduce the band members to you. As our space is limited, we will introduce a few at a time. This week we pay tribute to our cornet section of the junior band: Janita Hartung, Bob Cockwill, Robin Budd, Greg Daniels, Harvey Brooks, Chuck Boutland, Norm Hubbard, Teddy Salen and Billy Clarkson.

The cornet players are what you might call the "front line" of the band. They are the "tune" players, and very, very important in a band. So now folks, you have met the cornet section, and we ask you to take time when you meet these young players, to give them a pat on the back. They will prove their worth and give us all much musical enjoyment in the years to come.

Last week we were pleased to have a short visit from D. Peterkin, Supervisor of Music for the province of Alberta. He is working on our behalf. We are also proud to have as an ardent supporter, and a member of the band executive, Ray Speaker, MLA. He paid us a visit last week during band rehearsal. He is also working with Mr. Peterkin on behalf of the bands.

We again remind you all of our first band concert this coming Saturday night in the Elementary School Auditorium in Vulcan at 8:15 p.m. This will be a concert of good music presented by the Milk River High School Band. We point out that the reason for having it on Saturday night, is because the county furnishes the busses for travelling for the Milk River Band, and that was the only night of the week that they could get the busses for this trip.

In order that we may have a more friendly, and closer contact with the members of other bands, we are inviting the members of the Milk River Band into our homes for supper when they arrive Saturday evening. They will arrive at the Hotel corner at 6:00 p.m., where we will meet them and take them home, and from there to the school in time for the concert. If there are any of you who reside in town who would like to share in this friendly gesture, please let us know by Friday night. Phone Mrs. Doris Jones at Vulcan, 528. After the concert we will serve the band cocoa and do-nuts, before they embark for home.

Martin Jacobson Services Friday

A well known pioneer of the Vulcan district, where he home-stayed in 1905, Martin Jacobson died at Calgary on Tuesday, Oct. 22. He had lived in Calgary since 1946.

Funeral services will be held at the Vulcan United Church on Friday, Oct. 25, at 2:00 p.m. and interment will be in the Vulcan cemetery.

There has been considerable activity at the Vulcan Curling Rink for the past couple of weeks, as men's president Mel Jordan has called a number of work parties to prepare the rink for the coming season.

The major project is the painting of the entire interior of the curling portion of the rink as well as the waiting room. This face lifting or covering has given a tremendous brightening up which in turn will give a big boost to the atmosphere for the curlers.

A couple of meetings have been held to line up committees for the coming season and make the necessary decisions for a successful start to what is hoped will be a banner curling year.

Dues will remain at the same level as the past few years \$25 for men, \$12.50 for ladies and \$5.00 for students and with cooler weather now in effect it is hoped to start work on the artificial ice immediately with curling early in November.

Anyone wishing to curl is urgently requested to turn his name in to John Wolfe, Vernal Haga or Mel Jordan — as the club hopes that everyone interested in curling, will curl, and it also requires at least 30 men's rinks to be a successful season at the rink and for the club to make ends meet. The executive are doing everything in their power to make the Vulcan Curling Club a successful, congenial, friendly spot, to enjoy the winter sport that can't be matched for those same virtues.

The curling season will start with a mixed bonspiel.

Constable Knowles Moves To Trochu

Al Knowles, for some time on the Vulcan Police department, last week took up policing duties at the town of Trochu, nine miles from Three Hills.

Leaving Vulcan, Constable Knowles served Champion for some time before making his present move.

Replacing him at Champion is Lynn Simpson of Victoria, B.C., who was formerly with the police force of that city.

MARILYN HUBKA

Daughter of Mr. and Mrs. Frank Hubka of Carmangay, Miss Marilyn Hubka has been awarded the Andrew Haworth Scholarship in the amount of \$366 for obtaining the highest marks in Grade 12 among pupils who live in the Carmangay district.

Miss Hubka is now attending the University of Alberta in the Faculty of Education.

Will Collect For UNICEF At Hallowe'en

In the last eight years Hallowe'en has come to mean more than the gathering of candy and treats from door to door, to children across Canada and here in Vulcan. Pennies, nickles, dimes and dollars have been collected towards the UNICEF fund and last year approximately \$400,000 was made available to the organization. UNICEF (United Nations Children's Fund), is not a charity fund but is described as a co-operative effort to improve the lot of the world's children.

Currently UNICEF-assisted projects directly benefit some 57 million children and their mothers in over 100 countries of the world and in Canada it is supported by religious and educational groups, youth groups and service organizations.

Locally, UNICEF is being collected for by the Explorers, a youth group of the Vulcan United Church. The dozen girls of the Explorers under Mrs. Dave Montgomery are from nine to 12 years of age and will be knocking on doors next Thursday, Oct. 31.

The committee named to visit Fort Macleod on Wednesday, Oct. 30, will consist of Hon. N. Williams, Minister of Lands and Forests; Hon. R. Reiersen, Minister of Labor and Telephones; and Hon. H. E. Hon. Harry Strom, Minister of Agriculture, will visit Vulcan on Thursday, Oct. 31, and will be accompanied by Raymond Speaker, MLA for Little Bow. Mr. Strom will be at the County of Vulcan office in the morning to receive delegations or individuals wishing to discuss matters of provincial concern. Appointments to see Mr. Strom may be made through the County Secretary-Treasurer, D. D. McQueen.

Used Clothing Collected By Women's Society

The Women's Society of the Vulcan EUB Church held their October meeting at the home of Mrs. John Schierman on Oct. 9, at 7:30 p.m. Sixteen members were in attendance.

Mrs. Lloyd Jones brought the devotional period to a conclusion with a reading on the theme, "Do It Now," as related to Christian service. Mrs. Dave Schierman discussed ways in which the church can serve its members, community and country better.

The Women's Society Thanksgiving project of collecting good used clothing and fresh vegetables was well responded to. The vegetables were donated to Hillcrest Christian College in Medicine Hat, and to Mr. and Mrs. Faulkner, doing missionary work amongst the Indians at Gleichen. The used clothing is to be sent to the Salvation Army and to missionaries Mr. and Mrs. Leonard Renke of Dominican Republic.

Mrs. Albert Schierman reported progress on plans for the W.S. Spring Convention to be held in Vulcan.

A tasty lunch was served by the hostess, assisted by Mrs. Henry Leback.

Cloverleaf Rebekah Lodge Observes 50th Anniversary

Golden sprays of wheat and oats entwined with yellow and orange marigolds, decorated the lodge hall Friday night, Oct. 11 for the celebration of Cloverleaf Rebekah Lodge's Fiftieth Anniversary. One hundred and twenty members and guests sat down to a delicious turkey dinner, prepared and served by Ferrodale Chapter of the Order of Eastern Star. The tables were tastefully decorated in the Lodge's colors of pink and green. The beautifully decorated three-tiered anniversary cake was flanked by two lovely baskets of flowers, presented to the lodge by Sister A. Sheffield, of Calgary, and Roseleaf Rebekah Lodge, Mto.

Vice-Grand Sister Beth Jantzie acted as toastmistress for the occasion. Sister Marjorie Weber, Chaplain, offered Grace. Noble Grand Sister Marjorie Panter introduced the distinguished guests.

The toast to Sovereign Grand Lodge, Grand Lodge and the Rebekah Assembly of Alberta, was proposed by PNG Sister Gladys M. Fulton. The reply was given by Grand Master Kermit Moe. Toast to Cloverleaf Lodge was proposed by Brother Max Kehr. The reply was given by Noble Grand Sister Marjorie Panter. The toast to the senior members was proposed by Secretary, Sister Betty Kehr and was responded to by PNG Sister Myrtle Roe. The toast to the visitors was proposed by PNG Sister Elizabeth MacMillan, and the reply by Brother Roy McIntyre.

Sister Betty Kehr sang the song, "May the Good Lord Bless and Keep You", accompanied by Sister Lillian Brinton on the piano. Sister Ila Koenan, President of the Rebekah Assembly of Alberta, gave a pertinent talk on Lodge work and its place in the members' lives and the community. She closed her Milo.

F & G Fall Meeting

Ask Closure of Highwood Streams Sept. 1 - June 15

The fall meeting of the Vulcan and District Fish and Game Association survived its threatened collapse on Wednesday night, Oct. 16, to become the best attended, liveliest get-together in the over four-year history of the group.

On Wednesday afternoon the guest speaker, with films from Alberta Fish and Game at Calgary, cancelled out leaving a big hole to be filled. President Glen Dahl secured two interesting films from local representatives of the National Film Board and added colored slides of his own on wild life to cover this part of the evening. Membership in the National Fish Board was passed during the meeting.

One resolution was passed for presentation to the Southern Alberta Council and another was defeated. The successful resolution

remarks with a poem dedicated to the Rebekah Sisterhood.

At the close of the banquet, a very entertaining program was performed by children of the Rebekahs: An accordion solo by Laura Fulton, piano selections by Roy Knive, Leta Roe and Douglas Roe, vocal solo by Joe Denbigh and a vocal duet by Kay and Allan Giles. Sister Betty Kehr and her father, Bob Train, closed the musical program with a duet.

Bridge and Five Hundred Tables were set up for those who wanted to play cards, although many of the guests and visitors renewed friendships and socialized. Prizes were awarded for the high and low winners in cards. Coffee and donuts were served to wind up the evening.

Distinguished guests were: Brother Kermit L. Moe, Grand Master, Grand Lodge of Alberta, and Mrs. Moe; Sister Ila Koenan, President of the Rebekah Assembly of Alberta; Brother James Stier, Grand Representative, Jurisdiction of Alberta; Sister Lillian Peterson, District Deputy President, District No. 15; Brother Everett McPherson, Past Grand Master, and Mrs. McPherson; Sister Hazel Sheffield, Past President and Brother A. Sheffield.

Out-of-town guests were Sisters Anna Brooks, Jessie Marcellus, PNG, Margaret Ewing, PNG, Opal Drummond, PNG; Brother and Sister Alvin Fulton, Brother and Sister Bert Metheral, Brother and Mrs. George Todd, all of Calgary; Sister Schonoening of Lethbridge, and Sister Galloway of Boyle, Idaho. Also attending the celebration were brothers of Samaritan Lodge No. 91, IOOF and sisters of Roseleaf Rebekah Lodge No. 109, and the community. She closed her Milo.

asked that in an effort to protect fish in the Highwood River and its tributaries during spawning; and to relieve fishing pressure these bodies of water be closed to fishing from September 1 to June 15.

The defeated resolution concerned antelope. It requested a special season prior to the opening of regular season for trophy hunters who could obtain licences at a special fee. Objection to present legislation is that antelope are in such numbers as to make it impossible to pick out a trophy animal during early part of regular season and all are being so strongly pursued that it is almost impossible to stalk one with a likely set of horns. Another objection is that at the time of antelope season the horns are loose

The members will be catering to a large wedding reception in the near future and arrangements were made for the next Lions supper as well. RONNIE LEIREN

BAWLf, ALBERTA

It was the Easter holidays, and Ronnie and his brother and sister were initiating their cousin from the city into the mysteries of farm life.

It was a week though, that turned out to be almost tragic!

The afternoon was lovely, just meant for exploring - and when they found some logs in the drainage ditch, the temptation to use them to cross proved too great.

Returning back across the drainage ditch three of the children crossed safely, but Ronnie's six year old sister slipped and fell into the water. Ronnie jumped

into the water and grabbed for the parka his sister was wearing. The parka had come off over her head and the girl was floating downstream. Ronnie swam after her and pulled her to safety. But for his quick action his sister

would have drowned.

Not only did he save her life, but also showed the presence of mind to remove her wet clothes and wrap his dry jacket around her before carrying her home.

The editors of Alberta's weekly newspapers join with us in congratulating Ronnie - a member of the Bawlf Scout Troop.

This is one of six announcements about the 1962-63 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to Mr. and Mrs. James Thirsk of Kelsey, Alberta and to the Editor of the Camrose Canadian who nominated Ronnie for the award.

Rev. G. Cowell Inducted To Anglican Parishes

The institution and induction of the Rev. Victor Cowell, Rector of the Anglican Parishes of Vulcan, Lomond and Carmangay took place at St. Aldhelm's, Vulcan, on Thanksgiving Sunday, October 13. He was inducted by the Lord Bishop of Calgary — the Rt. Rev. G. R. Calvert, B.A., D.D.

Mr. and Mrs. Neilson, Mrs. Baldwin and Mr. and Mrs. E. Collier all motored from Carmangay to attend this impressive and colorful service. All three parishes combined in providing the refreshments which were served afterwards. All the members of the High River Deanery were present. These were the Rev. Canon Waverley Gant who preached the sermon; the Rev. Randall Stringer of High River who read the Licence of Induction; the Rev. Thomas Betton of High River; the Rev. Edward Weare of Claresholm and Nanton; and the Rev. Robert Griffiths of Midnapore and Okotoks.

The Archdeacon of Calgary, the Ven. Archdeacon Dowker, read the admonitions to the Rector; these reminded him of his duties to baptize, to preach the word of God and to administer the sacrament of Holy Communion. The Bishop reminded the congregations of their duties.

The keys of the parishes were presented to the rector by H. Mumby of Vulcan and E. Collier of Carmangay. The highlight of the service came when the incumbent knelt before the Bishop who laid his hands upon Rev. Cowell's head and blessed him with the words "Almighty God, Who has moved you to take upon you this ministry, and has called you to exercise it in this place: grant to you the strength and power to fulfill it to the glory of God and the good of souls that in so doing you may save yourself and them that hear you through Jesus Christ our Lord".

The ladies of the parish excelled themselves with providing refresh-

ments in the basement after the service, under the guidance of Mrs. W. A. Fitzpatrick.

E.U.B. Missionary To Speak At Vulcan Church

Reverend Charles W. Leader, for many years an evangelistic missionary under assignment by The Division of World Mission of The Evangelical United Brethren Church to Sierra Leone, West Africa, will speak in the Vulcan Church on Oct. 29, at 7:30 p.m.

Rev. Leader has been serving as a missionary in Sierra Leone since 1925. His formal training for missionary service was gained at Indiana Central College, Penn State, Moody Bible Institute, United Theological Seminary, Cornell and Iowa State College. He has found special joy in service in itinerating trips to the villages, preaching, and in the industrial work which has been a part of his task.

During his most recent term of service Rev. Leader was a teacher in the Bible Training Institute at Bo. In addition, he spoke 650 times in 165 different places and drove 26,000 miles across Sierra Leone.

The Evangelical United Brethren Church began missionary work in Sierra Leone in 1855. The church produced many capable Christian leaders not only for local church leadership but also to guide this newly-independent nation. Many of the governmental leaders today are the products of mission schools. The influence of the church has been decisive in preventing upheaval such as seen in the Congo.

Members and friends of the Vulcan EUB Church are invited to attend this service. The Rev. M. R. Heebner is the pastor of the church.

LETTER TO EDITOR

Editor, The Vulcan Advocate:
There is a question I would like to raise in the minds of all parents. Is the Boy Scout organization the "one organization too many" in the Vulcan district?

Are the few die-hards of the organization forcing something on the parent that he does not want? Please note that when I say Boy Scout organization I mean Scouts, Guides, Cubs and Brownies.

I attended the last Scout Parent meeting in Vulcan, Oct. 8. The support of the organization for the past few years since I have been connected with it has remained the same. There has been very little or practically no parent support. Public support of the Scout organization in relation to Apple Day, Bottle Drives, Tree Sales, etc., has been good, but individual parent support is sadly lacking.

The Scout organization in Vulcan represents approximately 160 boys and girls from 8 to 18 years of age. It also represents about 80 families or about 160 adult persons having direct family connection with the organization.

The parent meeting Oct. 8 was attended by 14 persons (more than usually attend). Of these people, seven were adults who have family participation in the Scout movement and seven were adults who do not. Six were leaders who, plus the chairman and secretary, usually do not vote; leaving a voting representation of only six persons. Do you believe this is fair parent support of the organization? There isn't one of the Scout or Cub leaders or assistant leaders who have any children participating in the Scout movement. Parents don't seem to be that interested. Is Scouting the one organization too many?

Over the past years the parents and leaders who are actively interested in the movement have used every method they could think of to attract parent participation. Meetings were held regularly (3rd Tuesday of each month in the Scout hall at 8:00 p.m.) and each meeting was publicized in the local paper. For one meeting, every parent was contacted and notified of the meeting but the turn-out was still just the same interested few. We have not been lacking in publicity — The Advocate has been very co-operative in publicizing Scouting with pictures and stories to help us create parent interest. The leaders have held joint banquets, parades, sales campaigns, camporees and many other functions that should interest parents.

There isn't a parent, if so wishing, who can't help the movement in some way. Just simply show some interest — interest towards Scouting, towards the leaders or towards the work your child is doing in Scouting.

But here are a few examples of the way "interest" has actually been shown.

The Scout Master asked a parent's help on a weekend camp, to which the parent's son was going. The parent replied he couldn't help, as he was going on a weekend fishing trip himself.

The Cub Master asked a parent to take a carload of Cubs to a Cub Rally. But the parent was golfing that weekend, so he couldn't go.

A parent was asked to attend the Tuesday night parent meeting, once a month. But that was the night he curled, so he couldn't attend.

There certainly is nothing wrong with any of these adult activities, but is there anything wrong with the Scouting organization? Or is this the one organization too many?

The horse and buggy days have come and gone — Is Scouting considered in this same category? It has become fashionable to condemn youth and unfashionable to help them. Is this productive? No! Youth is the most valuable asset there is.

Once again — is Scouting the one organization too many? Parent support in the very near future will decide this. The dedicated supporters — subsidizing Scouting — are too few to carry on.

and can be easily broken when the animal is dropped.

In committee reports, Don McCord claimed there were fewer ducks in the east country this year. More geese than ever are on Lake McGregor and the river but they appear to be thin and in poor shape.

The poisoning of coyotes was scored by members as well as the use of insecticides and some sprays as it was felt if pheasants were not being killed by these poisons the meat may be infected.

An objection to the opening of duck season before that of pheasant was that especially along the Little Bow many pheasants are shot while hunters presumably are after ducks.

A lengthy discussion arose from a report that according to new legislation, such wild life as cougar, coyote and rabbit, among others, are protected by law. Subsequently a check with local RCMP reveals this is not the case and that the regulations in this regard have changed only on technicalities involved.

Description of fur-bearing animals is given in Section 1 of the Game Act as: any animal, dead or alive, that is wild by nature, and that produces fur of a marketable value, the pelt or skin of which may be used for the manufacture of clothing or rugs, and without limiting the generality of the foregoing, includes any beaver, bobcat, badger, cougar, coyote, ermine, fisher, fox, hare, lynx, marten, mink, muskrat, otter, rabbit, skunk, squirrel, weasel, wolf or wolverine.

The act reads: "Subject to Section 55 (which deals with license or permit on registered trap lines) a resident may hunt, trap or kill without license or permit, on any lands to which he has a right of access any timber wolf, coyote, cougar, wolverine, skunk, porcupine, rabbit, and any other animal that the Lieutenant Governor in Council may from time to time designate.

However, this is qualified by the following Sub-Sec. (2): No person who has killed or is in possession of a fur bearing animal shall allow the skin or pelt thereof to be wasted, destroyed or spoiled.

The above applies only in the yellow and white areas of the province and is generally that land east of No. 2 highway and south of No. 16 highway. This is an approximate boundary only, and can be located accurately on the map given out with big game licenses. Bill Lethby and Montie Findlay expressed willingness to continue

fly-tying instruction again this winter if there is sufficient interest shown by members.

Three additional trophies are up for competition this year including Antelope, Moose and White-tailed Deer, the latter presented by president Glen Dahl.

A welcome guest at the meeting was Bud Rogers of Tacoma, Wash., who regularly uses Vulcan as his base for hunting. He spoke briefly on the problems created in his State from the use of insecticides and poisons. Spraying along roads resulted in deer being killed from its effects and he warned of the trouble involved when the balance of nature was upset.

SCOUT-GUIDE ACTIVITIES

Besides her parents, she is survived by three sisters, Judy, Linda and Sylvia, and two brothers, John and Lee, all at home; her grandparents, Mr. and Mrs. Graff Gunderson of Edmonton and Moise Douville, Pontiac, Sask.
